

G😊T LUNCH!

Feeding the Children of SAU#7 A Healthy Summer Lunch

G😊T LUNCH! is excited to announce the seventh year for this healthy summer lunch program that is free to all Colebrook, Stewartstown and Pittsburg school children. We are a group of concerned citizens from Monadnock Congregational Church and the wider community who know that children are not getting the nutrition they need during the summer. Please join us and help feed the children.

Families who register will be able to pick up a grocery bag of healthy foods including fresh fruits and vegetables, a loaf of whole wheat bread and sandwich fillings. SAU #7 is partnering with us and will be helping us to reach the families. In 2017, we served 140 children from more than 90 families.

We are hoping that this can be an entire community effort. We are inviting churches, agencies, individuals and businesses to assist in this program.

Please join us!

The G😊T LUNCH! Program Needs YOU!

We are estimating the cost of feeding one child for one week to be \$10. Extending that out to 10 weeks (the weeks of June 25 through August 27) the total cost per child for the summer is \$100. Please consider the following options of feeding our children a healthy lunch.

- _____ child(ren) for 10 weeks @ \$100 each = _____
- Donation of \$ _____
- Project Volunteer (shopping, packing, delivery) _____
_____ email and phone #

Please make checks payable to **G😊T LUNCH! MCC** and send to:
Monadnock Congregational Church, PO Box 307, Colebrook, NH 03576

Name: _____ Email: _____

Organization/
business: _____
