

# GOT LUNCH!

**FREE Healthy Food for All SAU #7 children, during summer vacation**

- Sponsored by:** Monadnock Congregational Church
- Funded by:** Many local businesses & non- profit organizations
- Run by:** Many volunteers

The Got Lunch! program is an initiative of the Monadnock Congregational Church and run by a group of concerned citizens from Colebrook, Stewartstown & Pittsburg.

Our aim is to provide nutritious food (breakfast, lunch & snacks) to our local children, who often only eat a good meal during the school year.

Grocery bags filled with staple food items, fresh fruit & vegetables, whole wheat bread and more are available for pick up each week. We try to ensure everything we give out is easy for a child to prepare and eat.

**In 2018 we provided 18,810 meals in 10 weeks.....**  
**to over 170 children from more than 100 families!**  
**This doesn't happen without a great deal of help from our local communities.**
